OUR STORY

Welcome to E. Street Bar & Grill, an elegant yet accessible restaurant and events venue. Set in a beautifully restored 17th century building, we can be found on New Street in Petworth, a charming West Sussex market town.

With an airy, modern yet timeless ambiance, our selection of private and semi-private rooms are available to book for parties, meetings and gatherings of all kinds. Our cellars are stocked with top quality local and international wines, and our menus feature the best offerings of our local producers here in West Sussex. Our goal is to provide top-quality food and perfect service, without pretension.

Whether you are booking a shooting party lunch in the rustic elegance of the Stag Room, a business gathering in the private Woodcock Room or an engagement party in the quiet opulence of the semi-private Blue Room or Lounge (which can be combined with the main floor of the restaurant), we hope you will find that our rooms add a touch of comfort and sophistication to your event.

A round dining table with a light-colored top and a metal base, set for private hire. The table is surrounded by dark blue leather chairs. On the table are several clear glasses, white napkins, and dark brown placemats. In the background, there is a large window with a grid pattern and a modern lamp with a gold-colored dome. The text "PRIVATE HIRE SPACES" is overlaid in the center of the image.

PRIVATE HIRE SPACES

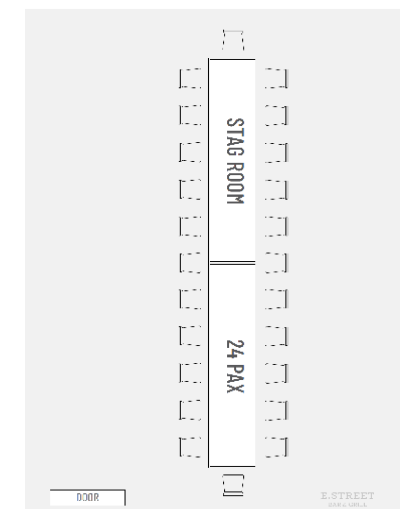

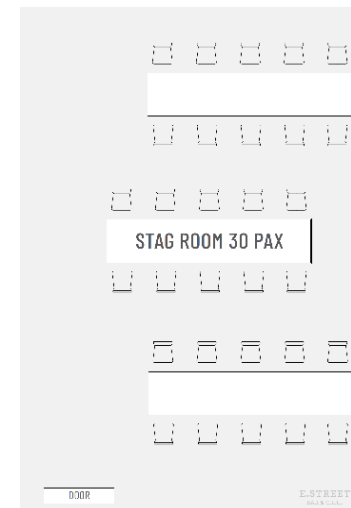

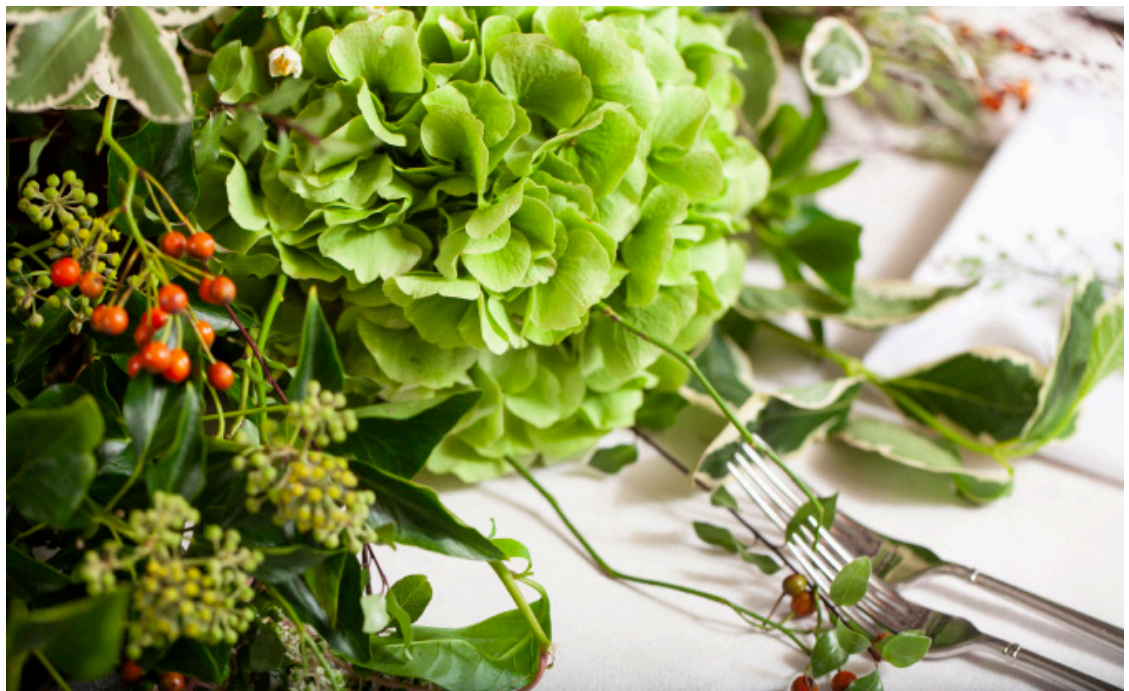

THE STAG ROOM

Presided over by a twenty-point stag from the Mereworth Estate, with antique Italian chandeliers descending from its high wood-beamed ceilings and plenty of natural light from the recessed leaded-glass windows, the Stag Room provides a rustic yet elegant setting for any event.

"We had a day even more incredible than we could have dreamed for. Absolutely everything was perfect. The food and drink received rave reviews"

THE WOODCOCK ROOM

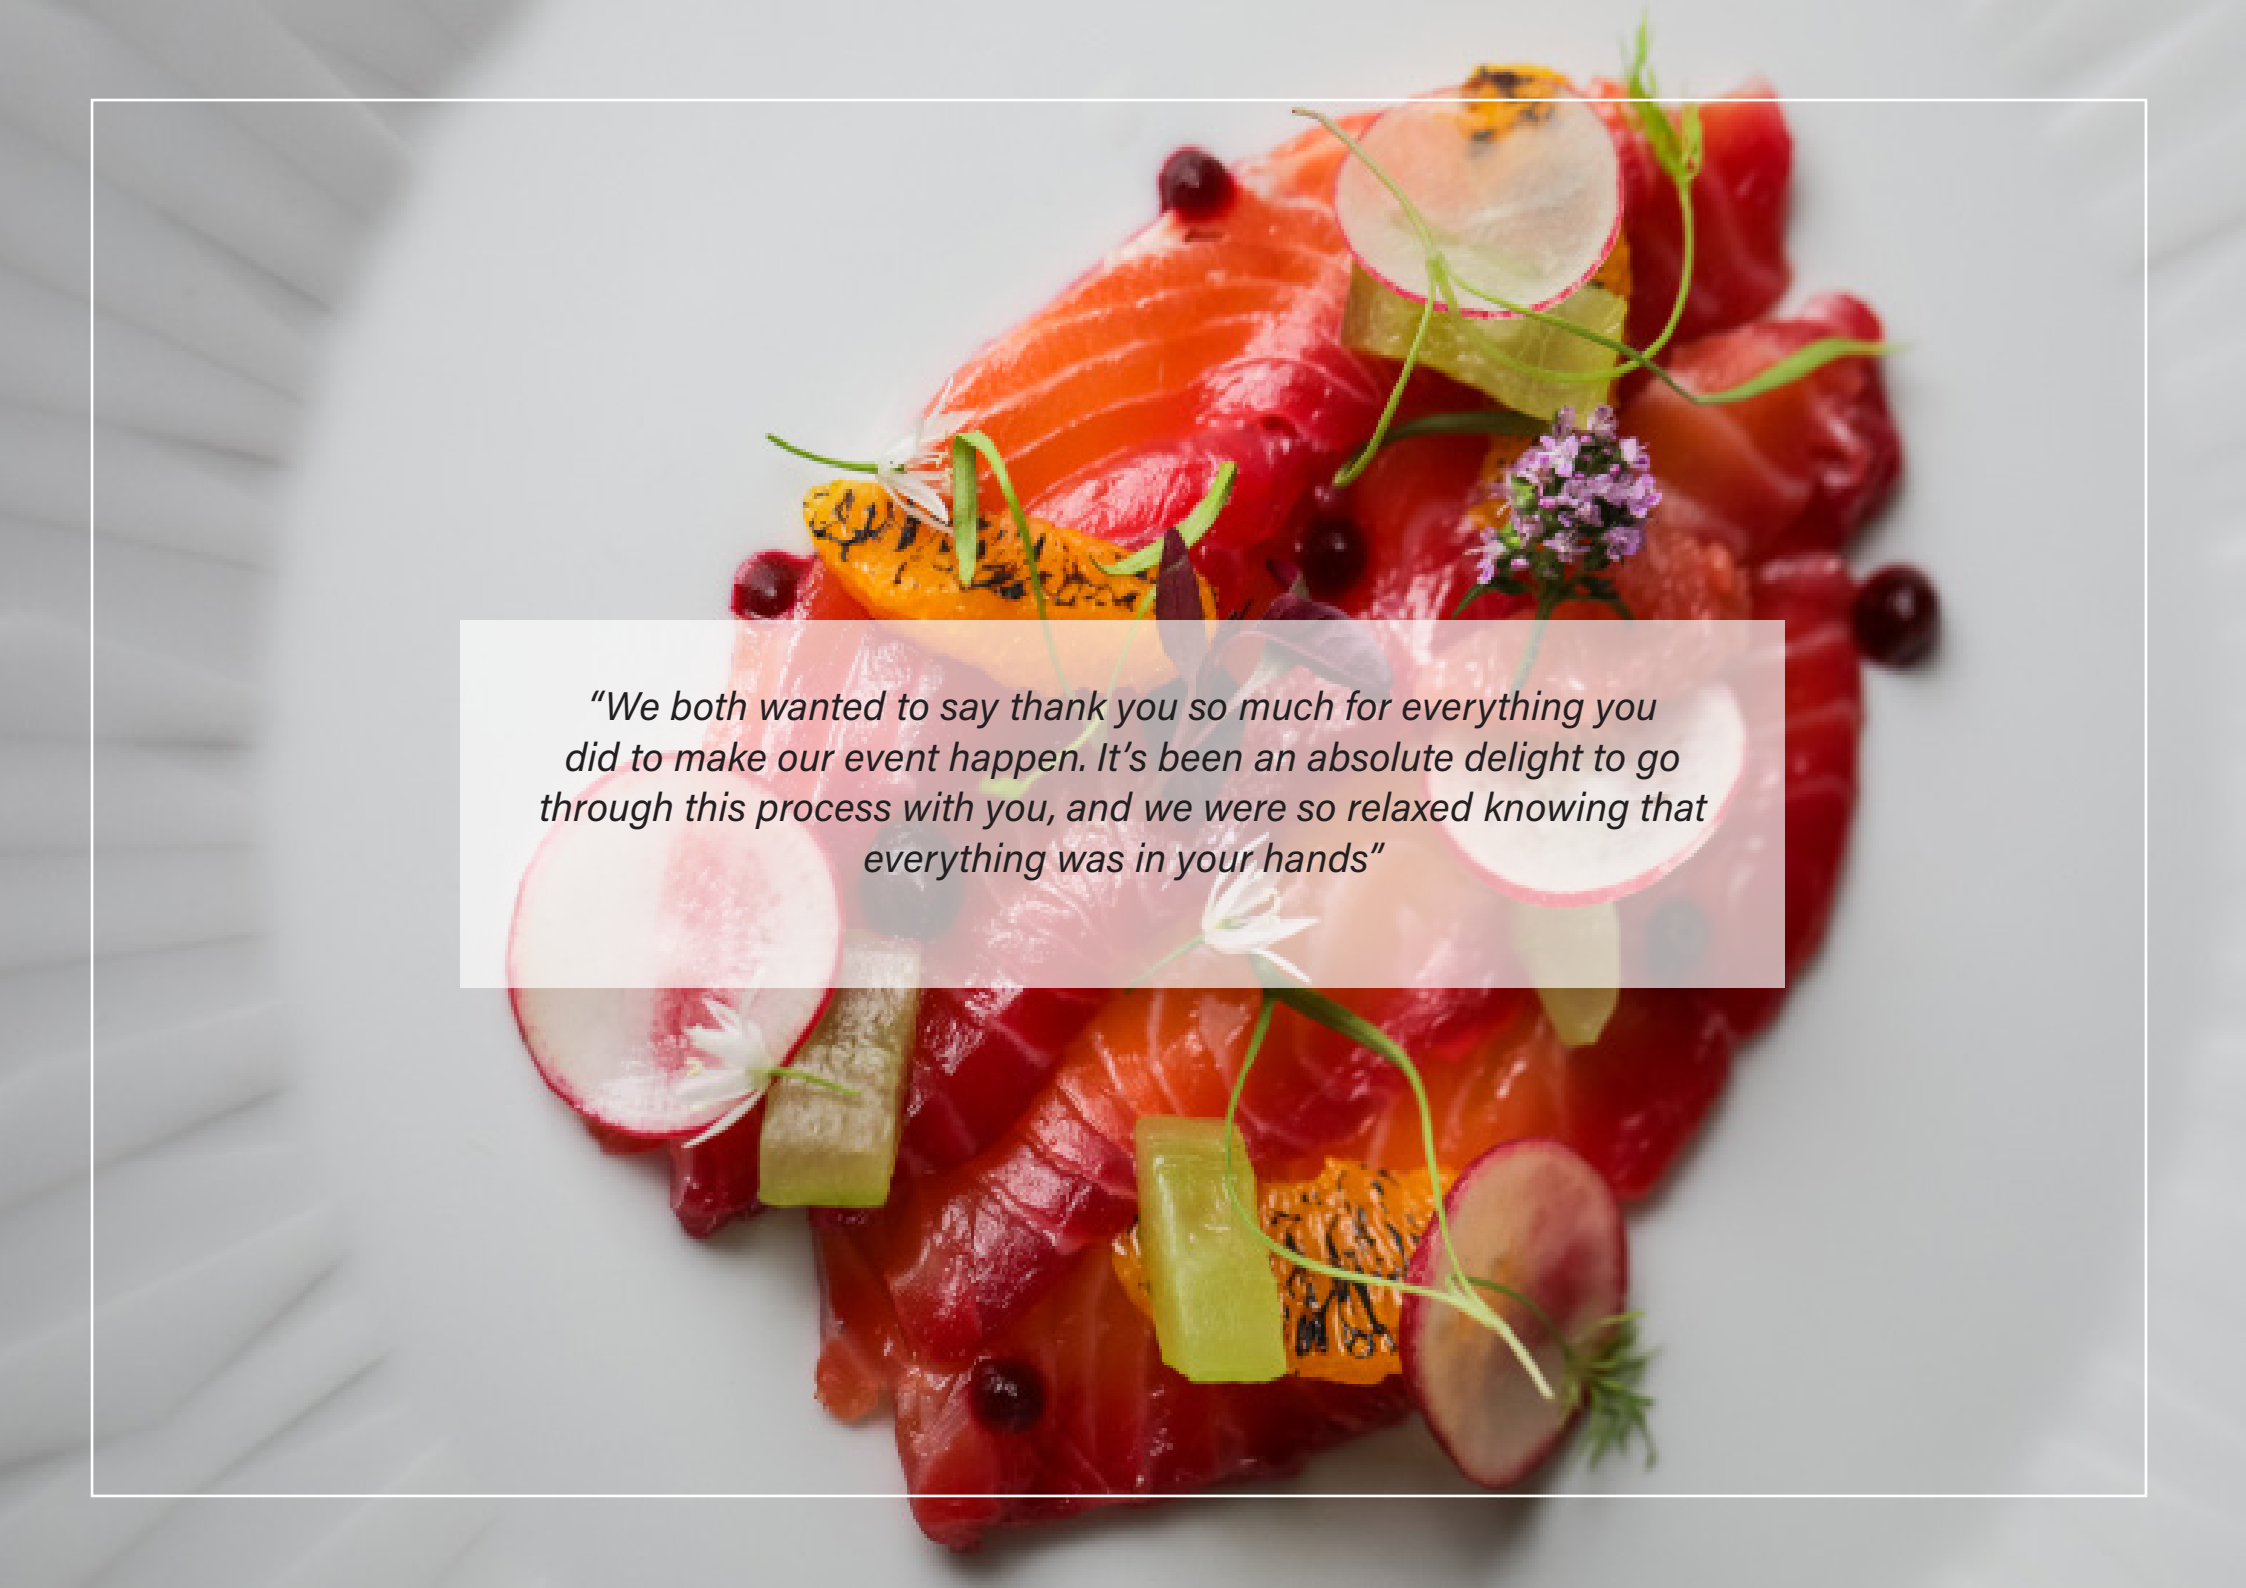

A cosy and intimate space, the boardroom-style Woodcock Room is a perfect spot for meetings or meals, with a large table that can accommodate up to 10 guests.

Capacity: 6 - 10

A top-down view of a gourmet dish on a white plate. The dish features a large, vibrant orange salmon fillet as the centerpiece. It is garnished with several thin, round slices of pink radishes, some of which are topped with a small white flower. There are also pieces of bright green vegetable, possibly cucumber or zucchini, and small, dark purple berries scattered around the salmon. The entire dish is set against a plain white background, which makes the colors of the food stand out.

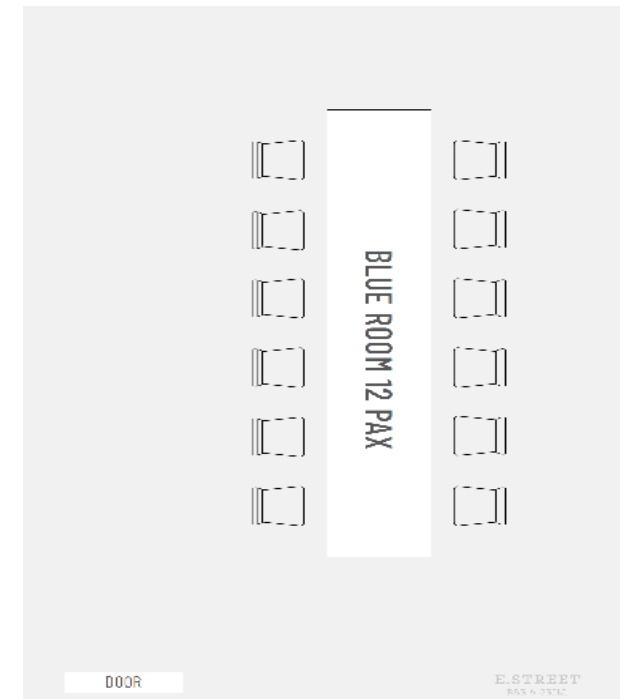

"We both wanted to say thank you so much for everything you did to make our event happen. It's been an absolute delight to go through this process with you, and we were so relaxed knowing that everything was in your hands"

THE BLUE ROOM

With elegant Italian textured wall coverings and velvet banquette seating, the Blue Room is part of the restaurant, but can accommodate groups of up to 12 in a semi-private environment.

Capacity: 8 - 24

Suitable for: Dinners, Receptions, Meetings

"It couldn't have been better. The team was just exceptional and the venue really made the evening."

THE LOUNGE

The Lounge can comfortably accommodate up to 14 guests in a semi-private environment. A soft seating area with couches, tub chairs and low coffee tables, it is suitable for a drinks reception and canapés or afternoon tea.

Capacity: 8 - 14

Suitable for: Afternoon Tea, Receptions, Meetings

The hand, adorned with several rings, holds a fresh rosemary sprig and is about to place it on top of a glass filled with a reddish-orange beverage, ice cubes, and fruit slices. The glass has a textured, cut-crystal pattern. The background is a blurred, dark blue-grey surface.

*"You all made it so special for us, and our families,
and we can't thank you enough - it was just magic."*

FOOD & DRINK

OUR FOOD

Meet Justin Knight, Chef Director at E. Street Bar & Grill

E. Street Bar & Grill proudly welcomes Justin Knight as its new Chef Director. From humble beginnings to Michelin-starred kitchens, Justin brings a wealth of experience, creativity, and a passion for locally sourced ingredients. His farm-to-table approach showcases the best of West Sussex produce, paired with global culinary influences.

We use only the finest local ingredients, supporting West Sussex's exceptional growers and makers. Our menus cater to everything from light bites to full sit-down meals, and are designed to reflect the seasons.

For private dining, groups of 10 or more are asked to select a set menu, with individual choices submitted two weeks prior. Alternatively, hosts may select one dish per course for the group. Bespoke menus are also available, crafted in consultation with our chef.

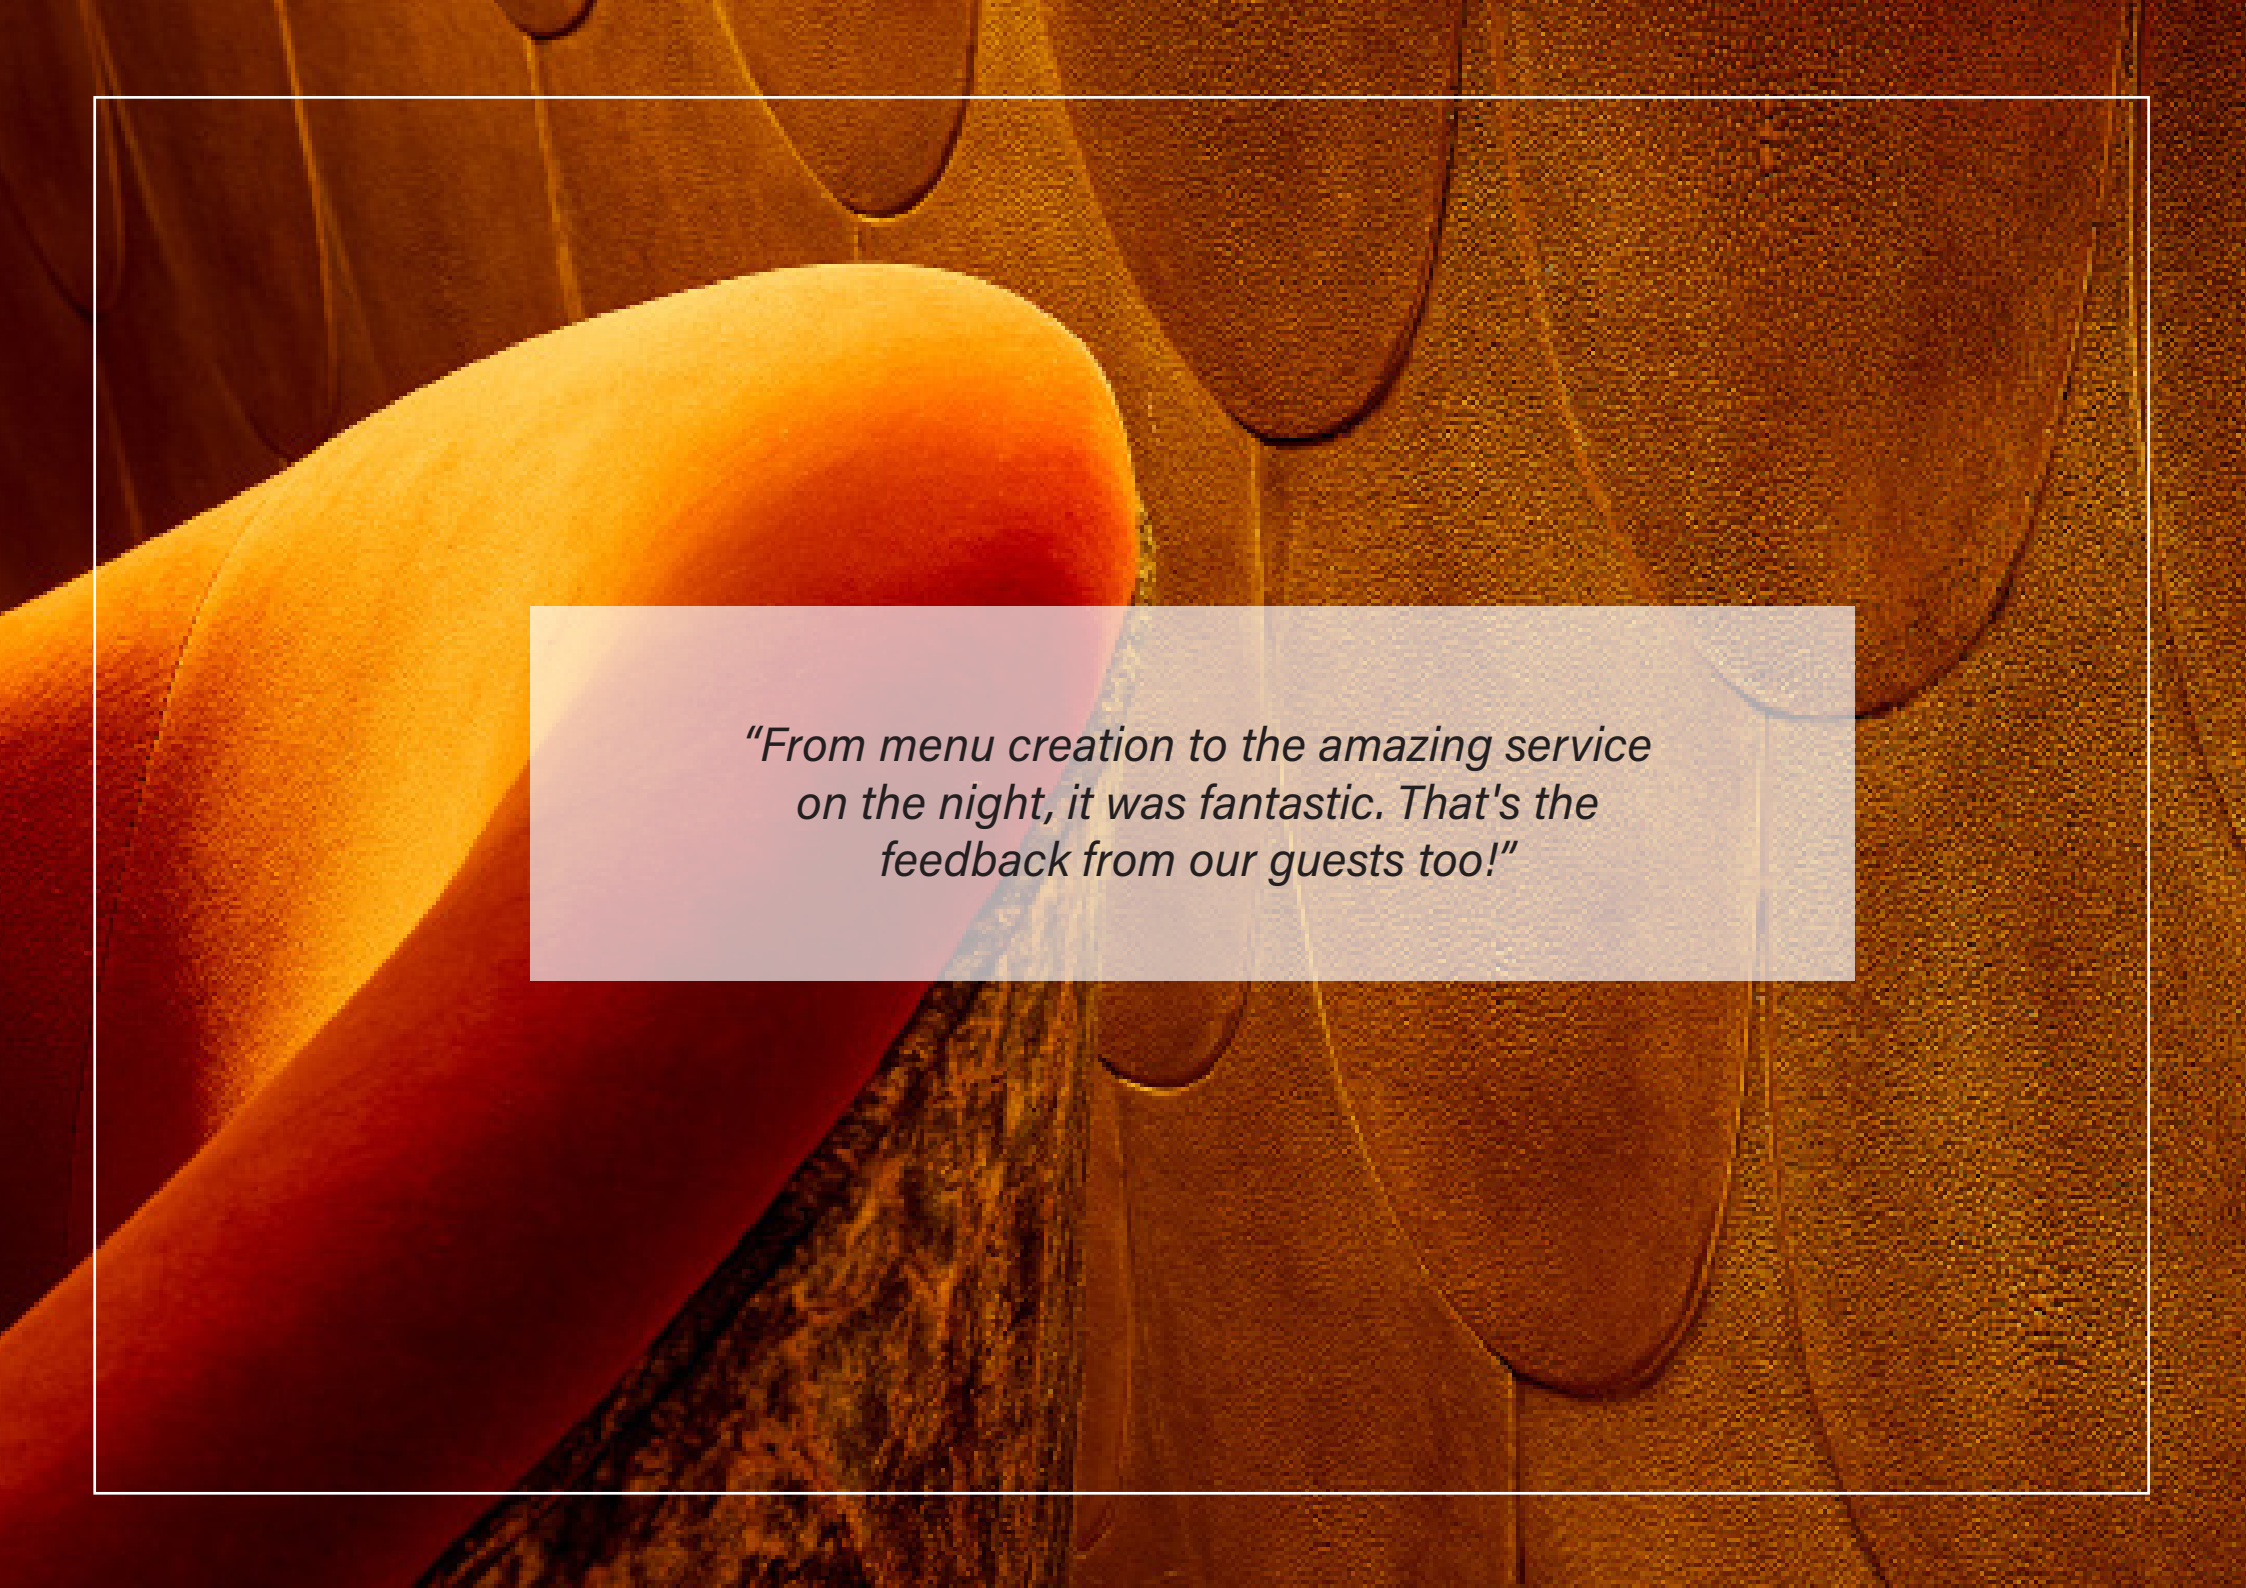

Our menus feature the best of the season and as such, are subject to change.

WINE & DRINKS

With approximately 45 wineries in the area, Sussex is a well established wine region, producing some of the best sparkling wines in the world – many beating Champagnes in blind tastings and awards. E. Street Bar & Grill is proud to stock our cellars with a truly exceptional selection of wines, including fine vintages produced both locally (such as Nyetimber's world-renowned sparkling wine) and internationally.
